

Dear Resident's of View Street.

We are writing to you to inform you we are having a Ball at 2 View Street on the night of Friday 17th of July.

We realize that noise and disruptive people coming from the flat has been a significant problem to view street residents over the years so we are really keen to minimize any inconvenience to you. The event has been limited to 130 people, each who will be on a guest list and given bands as they enter so we can track numbers.

There will be a security guard on the door all night and another floating around throughout the night. There will be no glass permitted, and rubbish bins will be by the exit to throw any rubbish away before leaving to prevent any litter on the street. The event will finish at 11:30pm at which time the security guards will usher people out of the flat in an orderly fashion and down onto Moray Place and off of View Street. We aim to have everyone out of the flat well before 12am and after that point there will be no more noise coming from the flat.

We are having a live band from about 8pm-10pm, although with the front door to the flat closed at all times throughout the night we are hoping that this won't cause considerable noise heard from the street.

Everyone attending will be informed that this is going to be a controlled event and that anyone who steps out of line will be told to leave, so that everyone can have a good night with minimal disruption to view street residents.

If you have any issues then please feel free to contact Nick on 0278744093

Cheers,
The boys from 2 View Street.
